

CVS CarePass® membership program

Continuing into 2023, you'll have access to a discount program as an Aetna PEBTF or REHP non-Medicare subscriber. It will help you save money and gain convenience. You can register for your no-cost CVS CarePass® membership program directly through your secure Aetna® member website at myaetnawebsite.com.

This program helps make your life easier, with access to:

- No-cost same day shipping on thousands of eligible items on CVS.com®, including everyday household items and items recommended by your doctor to support your health
 - When you include any of the thousands of eligible CarePass items, your entire order ships at no-cost with no minimum amount required
- Savings anytime you shop at CVS with 20% off CVS Health® brand products
 - Once you're enrolled the savings are effortlessly loaded to your CVS ExtraCare® card
- Same day delivery right to your door on your prescriptions
 - Save time with one less errand and avoid any last-minute trips to fill your Rx, helping you stay on track with your prescriptions
- Peace of mind with access to the 24/7 Pharmacist Helpline
 - Pharmacists are the second most trusted profession in America. CVS pharmacists can help answer any questions you have about you or your family's medications when you need it
- A \$10 monthly promotional reward just for being a CarePass member
 - You can use it to save money and stock up on items you use every day

Note that to participate in the new CVS CarePass® program you will need to first enroll in the CVS ExtraCare® card program (also available at no charge). Details will be available when you sign up.

Aetna is the brand name used for products and services provided by one or more of the Aetna group of companies, including Aetna Life Insurance Company and its affiliates (Aetna). Aetna is part of the CVS Health® family of companies.

The 20 percent savings is restricted to items purchased for the member, spouse or dependents. Excludes prescriptions, alcohol, tobacco, lottery tickets, postage stamps, gift cards, money orders, pre-paid cards, photofinishing, CVS.com purchases and are not valid on other items reimbursed by a governmental program.
