

PEBTF Specialty Pharmacy Drug List

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

The **Specialty Pharmacy Drug List** is a guide of medications available through CVS Specialty®. Our goal is to help make your life better. With more than 40 years of experience, CVS Specialty provides quality care and service. We have a network of pharmacies that includes those with Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally recognized symbols of quality that reflect an organization's commitment to meet high standards of quality and safety. This list represents brand-name products in CAPS and generic products in lowercase *italics*.

Please note: If you are a plan member or a health care provider, please visit CVSspecialty.com, fax 1-800-323-2445 or call 1-800-237-2767 for specific information regarding medications available through CVS Specialty. e-Prescribe specialty prescription(s) to CVS Specialty Pharmacy.
